FROM THE COORDINATOR

Good morning Stallholders,

Our November market was a good turn out and the weather was great with the sun coming out mid morning and only a light shower. I hope you all had a busy and enjoyable day!

Merry Christmas to everyone and I hope most of you joined in the festive season and decorated your stalls.

We will have Santa here from 8.30 until 10.30ish this morning, come and say hello if you have time or let the kids know as they pass you. We didn't manage to have our normal "little Squirt" from the fire station, however, Geoff Stansfield, a parent from the school, has volunteered his mini to drive Santa around the grounds and deliver him to our information booth for some time there.

Enjoy your day and I hope to see you in the New Year!

Thanks

Nicole

FROM THE COMMITTEE

Megan Stansfield, Cade Blakesley, Jill Attewell and Ean Irvine.

Advertising for our December Markets; We advertised this year, as all years, in the Tablelander and Cairns Post, these adds are paid advertising. We also advertised on various websites and radio stations.

Today is the judging of the Best Dressed Stall.

The top 3 stallholders will win a bottle of wine, which never goes astray this time of year!

From August Newsletter: The Yungaburra Market Committee and P&C Committee is agreed it is time for a price increase. Starting from January 2012 there will be an increase of \$5.00 for all sites, as an administration fee (not including food vans). Example; If your site is currently \$15 (\$5 per metre for a 3m site) your new fee would be \$20 in total.

If you have any queries please feel free to discuss this with Nicole or send a letter in writing/email.

When entering the market grounds please drive at an appropriate speed, as there are stallholders and the general public to be aware of at both prior to 7.30am and after 12.30pm.

Merry Xmas and Happy New Year!

Thank you to all our stallholders for your support throughout the year!

From the Market committee

Tableland Tablecraft – This stall is located at M32

We are a family run business selling slabed timber and unique handcrafted furniture on the Atherton Tablelands. We only use salvaged timber, this means we do not cut live trees. We do everything from finding logs to sawmilling them on our property, then either selling slabs or sawn timber or designing unique pieces of furniture. You can choose from something ready made or we can make almost anything to order including beds of all sizes, dinning tables, chairs, rocking chairs, bedside tables, bookshelves, cabinets and naturally antibacterial camphor laurel chopping boards. We've even done some complete kitchens.
